

Adequate Yearly Progress (AYP)

Elementary Designation: Adequate

Rainbow Dreams Academy has been classified as a school which demonstrated Adequate Yearly Progress (AYP) during the 2010-2011 academic year. This classification is due to the school's meeting all of the state of Nevada's "No Child Left Behind" criteria in the areas of English Language Arts (ELA), Mathematics, and the school-wide 'other' indicator. AYP is built on four pillars: accountability for results, emphasis on doing what works (based on scientific research), expanded local control and flexibility.

The AYP designation is only one of many measurements that determine the quality of our school. Rainbow Dreams Academy is committed to providing the best education possible to each and every child and family we serve.
